Lady Estelle Diamonde has fallen upon hard times due to unscrupulous activities by a wealthy American businessman. As a result of this she cannot afford to buy her daughter, Precious, any Christmas presents this year. Lady Estelle is desperate to raise some money and is having to auction off her family heirlooms and jewels to generate some cash. You are invited to attend this auction and bid for the lots. All is going well until.....

Why not join us for this event and become part of the Murder Mystery night. You'll be involved as we ask 10 of you to play suspects alongside the five actors. We like to get one or two people from each group involved as this adds to the fun on the night. These ten are all sent Confidential Information Files prior to the evening, explaining what they have to do and also any clues they might need to reveal. Whether you're a suspect or not, you'll all be trying to solve the dastardly goings on.

Presents For Precious is a fun packed, comedy Murder Mystery night. The evening starts at 7:00pm with dinner at 7:30pm. It is held at venues in the heart of London's West End. The Christmas Murder Mystery is followed at approximately 10:00pm by a disco through until midnight. The price includes the Murder Mystery plot, the sending out of the Confidential Information Files to the volunteers and a three course dinner. Numbers are strictly limited. A 50% deposit is required when booking with the balance payable four weeks prior to the event.
